Location

Flore is a village and civil parish in the Daventry district of the county of Northamptonshire. Within the village there is a Post Office, Newsagents and general stores, village hall, recreation ground and public house. There are bus services to Northampton and Daventry. Also within the village is the Church of England Primary School with secondary education at Campion School in Bugbrooke. The village is well placed for access to the M1 junction 16 approximately two miles away and the A5 at nearby Weedon one mile away.

Ground Floor

The accommodation is entered via a composite front door into a welcoming porcelain-tiled entrance hall featuring a useful understairs storage cupboard and dogleg staircase rising to the first floor. A contemporary cloakroom is fitted with a white suite comprising WC and pedestal wash hand basin.

To the front of the property, the spacious sitting room enjoys a striking box bay window with fitted plantation shutters and decorative floor-to-ceiling wall panelling to two walls. A separate study provides the ideal space for home working.

The heart of the home is the impressive open-plan kitchen, dining, and family room. The bespoke kitchen has been thoughtfully designed with an extensive range of wall, base and drawer units, granite work surfaces and matching upstands. Integrated appliances include Neff double ovens, a five-ring Neff induction hob with extractor canopy above and an integrated dishwasher, alongside space for an American-style fridge freezer. Under counter lighting. The family and dining area offers generous space for both entertaining and everyday living, complemented by bespoke hand-built display cabinet across one wall. Porcelain floor and recessed spotlights. Windows and French doors opening onto the rear garden. A separate utility room provides additional storage, work surfaces and appliance space. A cupboard housing the gas boiler and the hot water cylinder.

First Floor

The first-floor landing gives access to five well-proportioned bedrooms. The principal bedroom benefits from fitted wardrobes and a stylish en-suite shower room, with two UPVC double glazed windows to the front aspect with fitted shutter blinds. Bedroom two is another excellent double room with dual-aspect windows also fitted with shutter blinds and its own en-suite shower room. Three further bedrooms are served by the contemporary family bathroom, fitted with a white suite including a double-ended bath with shower over.

Outside

Externally, the rear garden is fully enclosed by attractive brick walls and timber fencing, creating a private and secure outdoor space. A stylish porcelain patio with integrated ground lighting provides the perfect setting for outdoor dining and entertaining. Additional features include external lighting, power points, an outside tap and gated side access.

A particular feature of the property is the substantial detached double garage. Originally serving as the show home's sales office, the garage benefits from double skimmed walls, a vaulted ceiling with two Velux windows, power, and lighting, and twin up-and-over doors. Offering tremendous versatility, the space presents excellent potential for conversion into a home office, gym, studio, or even ancillary accommodation, subject to the necessary planning permissions and building regulations.

To the front an enclosed front garden area with wrought iron gate and fence. Paved pathway leads to the front entrance with lawn either side. A double width and good-sized driveway leads to the detached double garage.
