Accommodation Details

The property is entered via the front door into a welcoming entrance hall, with stairs rising to the first floor and access to the principal ground-floor rooms. A useful store cupboard is positioned beneath the stairs, while a separate WC provides added everyday convenience. To the right of the hallway is the generously proportioned living room, a bright and comfortable reception space with windows to both the front and side elevations. To the left, the hallway opens into the spacious kitchen/diner, which forms the main hub of the ground floor. The kitchen is fitted with a range of contemporary high-gloss wall and base units, complemented by wood-effect work surfaces, tiled flooring and mosaic-style splashbacks. There is a gas hob with extractor above, double oven and space for further appliances, while the dining area comfortably accommodates a family-sized table. French doors open directly onto the rear garden, providing a natural connection between the indoor and outdoor spaces. Adjoining the kitchen is a separate utility room, fitted with additional storage and worktop space together with plumbing and space for laundry appliances. A further external door provides direct access outside, making this a particularly practical addition to the accommodation.

First floor

The staircase rises to a bright first-floor landing, where a window brings natural light into the space and doors lead to all three bedrooms and the family bathroom. The principal bedroom is a generous double room positioned to the front of the property, with ample space for additional furniture and the benefit of built-in wardrobes. An adjoining en-suite shower room is fitted with a shower enclosure, wash basin and WC, complemented by tiled surrounds and a heated towel rail. Bedroom two is another well-proportioned double room and benefits from a useful built-in storage cupboard, while bedroom three provides a comfortable single bedroom that would also lend itself well to use as a nursery, study or home office. The family bathroom is fitted with a modern white suite comprising a panelled bath with shower over and glazed screen, pedestal wash basin and WC. Tiled walls, a heated towel rail and an obscured window complete the room.

Outside

The property occupies an attractive corner plot, with a neat frontage and paved approach complementing the traditional brick exterior. A driveway to the side provides off-road parking and leads to the detached single garage. The enclosed rear garden has been thoughtfully landscaped for ease of maintenance, with a broad paved terrace providing space for outdoor seating and entertaining. The remainder is mainly laid to artificial lawn, bordered by established planting and decorative beds, creating a pleasant and well-presented outdoor space. The garden is enclosed by a combination of brick walling and timber fencing, offering a good degree of privacy, with gated access leading towards the driveway and garage.
