Description

The land is a single enclosure pastureland extending to 2.61 acres (1.06 hectares) or thereabouts and can be accessed via a right of way over a third party owned track off East Street which is shown hatched purple on the plan, as well as access via the public right of way which crosses through the adjoining property situated to the east, with a gateway in the north eastern corner of the field giving access to the property.

According to Natural England, the land is classified as Grade 3 on the Agricultural Land Classification maps, being slowly permeable seasonally wet slightly acid but base-rich loamy and clayey soil with moderate fertility.

The land is being marketed for agricultural use, but it would be suited to equestrian use or alternative uses subject to obtaining the necessary planning consents.

Purchasers should make their own enquiries regarding the location of the mains service supplies. The cost of providing such services to the site will be at the purchaser's own expense.
