Ground Floor

A traditional stable door opens into a welcoming entrance hall, beautifully finished with luxury herringbone LVT flooring and elegant tongue-and-groove wall panelling, immediately setting the tone for this characterful home. From here, brace-and-latch doors lead to the principal ground floor accommodation, including a stylish cloakroom fitted with a wash hand basin, WC and chrome heated towel radiator. The stunning kitchen/breakfast room has been thoughtfully redesigned to create the heart of the home. Finished with herringbone patterned flooring throughout, the space enjoys an abundance of natural light, with double multi-pane patio doors opening onto the rear garden. Bespoke shaker-style kitchen cabinetry, painted in Farrow & Ball Hardwick White, is complemented by luxurious marble-effect quartz worktops and metro style tiling with an attractive grout finish which complements the brushed brass ironmongery. The kitchen is superbly equipped with a range of integrated appliances, including a dishwasher, recycling bins, a butler sink with a Kettle hot, cold, boiling and filtered water tap, together with a range-style cooker and extractor hood. Additional features include pull-out pantry baskets, glazed display cabinets, wine storage and space for an American-style fridge/freezer. A freestanding shaker-style island with a solid wooden worktop provides further storage and an informal breakfast bar. The adjoining utility room has also been re-fitted, continuing the high-quality finish with matching shaker-style units, complementary worktops, plumbing for a washing machine and tumble dryer, and a door leading to the courtyard. The main hallway features a useful understairs storage cupboard and staircase rising to the first floor, while glazed double doors open into both the sitting room and the impressive garden room. The charming sitting room is rich in period character, with exposed ceiling beams and a multi-pane box bay window overlooking the front aspect. An attractive brick-built fireplace with a wooden mantel and inset multi-fuel stove creates a wonderful focal point, while a bespoke reclaimed wooden desk to one side of the chimney breast and storage cupboard to the other side, provide both practicality and style. A particular highlight of the property is the exceptional garden room, expertly added by the current owners to create a versatile living and entertaining space. Bathed in natural light from a striking roof lantern, extensive glazing and French doors opening onto the rear garden, this superb room also features exposed oak timbers, an integrated sound system and air conditioning, making it an enjoyable space to use throughout the year.

A recessed display shelf provides a practical and attractive space for toiletries, completing this luxurious family bathroom.
